Defendants

Civil Action 2:17-CV-18

MOTION TO INTERVENE

MOTION TO INTERVENE

Now Comes James Seat #1531668 (AKA) SKY BLUE in support of motion to intervene. Intervenor files this motion to intervene as a Party Plaintiff, as authorized by Federal Rule of Civil Procedure 24.

(A) INTRODUCTION

- (1). Plaintiff is Bobbie D. Haverkamp (AKA) Bobbie. Defendants are the 2020 UTMB Health Care Committee for TDCJ Correctional Prisons. Intervenor's name is James Seat (AKA) MS SKY BLUE.
- (2.) Plaintiff sues the Defendants for Violation of Equal Right Protection, Sex Stereotyping, Discrimination.

## (B) ARGUMENT

12.) Intervenor has a right to intervene in this lawsuit under a Court Order of Magistrate Judge Hampton of the United States District Court Order setting deadlines in Civil Action 2:17-CV-18

Also Fed. R. Civ. Pro. 24 (a)(2) this statute, the intervenor has a unconditional right to intervene because the applicant claim and action have a question of law and a very firm fact in common with the very present civil action

A.) Under *Loyd v. Alabama Dept. of Corr.* 176 F3d 1336, 1340 (11th Cir) Intervener has a direct interest in this lawsuit, and that interest is Substantial, and Protected under law.

1) My interest is some significant treatment to give some significant relief to alleviate or cure my symptoms of GENDER DYSPHORIA. which in my case has been multiple suicide attempts as proven by scars on arms, neck, and shoulders. Also my PTSD, and bouts with manic depression due to no treatment whether it be non-invasive or surgical.

2) The committed's policy states I'll get further therapy as needed goes back on that policy regardless of the advice of the attending physicians / Psychiatrists. The proper treatment referenced to in policy are proven to alleviate or cure said symptoms. This leaves me in limbo treatment wise to continually contemplate suicide for the lack of relief via significant treatment.

3) Intervenor's motion is filed as soon as I learned of the civil action on Sunday May 24, 2020 and could not have known about this case and her interest.

Your Honor, This case has not been spoken and or advertised, around the unit. I was made aware of it by a Transsexual Woman named Selene. There has been no official advertisement or notice given of this civil action. Catew2and/wins 103 F3d 223, 232 (2nd Cir)

Intervenor's motion is timely. The suits only progress to the state have to answer.

### Conclusion

Your Honor, I ask the Court to grant her motion to intervene as a Party Plaintiff.

So prays the Intervenor,  
James Seat #1531668 (AKA) SKY BLUE
